MEDIA RELEASE

I-80/94 Lanes Restricted During Nighttime Construction

Lane restrictions and ramp closures scheduled for nighttime hours throughout next week

LAKE COUNTY, Ind. – The Indiana Department of Transportation (INDOT) announces I-80/94 (the Frank Borman Expressway) will have various lane restrictions and ramp closures during nighttime hours the week of March 9. This work is in relation to the \$97 million Major Moves project widening the Borman between State Road 53 (Broadway) and Central Avenue in Lake County.

I-80/94 will be restricted to two lanes in each direction between 9 p.m. and 5 a.m. March 8-14. Between midnight and 5 a.m. some nights, either direction may be restricted to one lane.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when driving through a highway construction zone. For updated restriction and construction information about this project and the entire Borman Interchange Modification, please visit www.borman.in.gov.
